## 2003 Code Change Training—Phase 1 (Plumbing, Mechanical, Fuel Gas, Electrical)

### TRAINING OVERVIEW

ONE-DAY SEMINARS IN TWO SESSIONS, MORNING AND AFTERNOON

Morning Session:	8:00—12:00:	International Plumbing, Mechanical, and Fuel Gas Codes (Includes pertinent portions of International Residential Code)
Afternoon Session:	1:00—3:30:	National Electrical Code (Includes pertinent portions of International Residential Code)

#### Notes:

1. This is mandatory training for the following DHCD certificate holders:

Electrical Inspector 1&2 Family Dwelling	Electrical Inspector General	Electrical Plans Examiner
Mechanical Inspector 1&2 Family Dwelling	Mechanical Inspector General	Mechanical Plans Examiner
Plumbing Inspector 1&2 Family Dwelling	Plumbing Inspector General	Plumbing Plans Examiner
Combination Inspector 1&2 Family Dwelling	Combination Commercial Inspector	

2. There will be separate registrations for the morning and afternoon sessions; you may attend either or both.  
3. There is no cost for the seminars; lunch is on your own from 12:00—1:00 p.m.  
4. Bring the appropriate 2003 I-Code (including the IRC) or the 2002 NEC depending on the training session.  
5. Directions to the training locations are on the back of this flyer (or on a second page if obtained electronically).
